Appendix A: OSR Non-Public Lead & Auxiliary Teacher Salary Matrix

Appendix A: OSR Non-Public Lead & Auxiliary Teacher Base Salary

Program Directors should contact your Regional Director for further guidance on non-public school teacher salaries.

Lead Teacher Base Salary

First Class Pre-K Lead Teacher Base Salary	$40,873

Auxiliary Teacher Base Salary

First Class Pre-K Auxiliary Teacher Base Salary	$19,992

The minimum required for all public and non-public school auxiliary teachers is a Child Development Associate (CDA) credential or the equivalent required coursework.

OSR only **requires** programs to pay the CDA salary for auxiliary teachers. If the auxiliary teacher has a higher credential, programs may *choose* to pay the recommended salary for that credential.

If the Auxiliary Teacher salary exceeds the current salary of Teacher's Aides in public school sites, it is recommended that the school develop a new classification to reflect the increased education requirement and increased work expectations of a First Class Pre-K Auxiliary Teacher.

Appendix B: 2019-2020 Sliding Fee Scale for the First Class Pre-K Program

Based on the Annual 2019 Health & Human Services Poverty Guidelines and Federal Poverty Levels for the 48 Contiguous States and D.C.

3	$21,330	$42,660	$63,990	$85,320
4	$25,750	$51,500	$77,250	$103,000

*Add $4,320 for each person over 8

Parent Fees are not a requirement of the First Class Pre-K program. All parent fees must be invested into the pre-k classroom. Programs may choose, however, to request parent fees (tuition) based on the above guidelines. No child may be refused access to First Class Pre-K program based on inability to pay. If a child is designated as being served by Title I, migrant or homeless funds, programs should refer to the guidance of their local LEA concerning the charging of fees to these students.

Percentage	Parent Fees not to Exceed
0-200%	$40/month
201-300%	$100/month
301-400%	$200/month
>400%	$300/month

The criteria for determining which data to collect should be the usefulness of the data to state policymakers and local programs' administrators in administering programs and allocating state funds, and must include the tracking of school readiness system information back to individual school readiness programs to assist in determining program effectiveness.

Appendix N: Alabama's Mandatory Child Abuse and Neglect Law
Code of Alabama Section 26-14, Reporting of Child Abuse or Neglect

§ 26-14-1. Definitions.
For the purposes of this chapter, the following terms shall have the meanings respectively ascribed to them by this section:
1. ABUSE. Harm or threatened harm to a child's health or welfare. Harm or threatened harm to a child's health or welfare can occur through nonaccidental physical or mental injury, sexual abuse or attempted sexual abuse or sexual exploitation or attempted sexual exploitation. "Sexual abuse" includes the employment, use, persuasion, inducement, enticement, or coercion of any child to engage in, or having a child assist any other person to engage in any sexually explicit conduct or any simulation of the conduct for the purpose of producing any visual depiction of the conduct; or the rape, molestation, prostitution, or other form of sexual exploitation of children, or incest with children as those acts are defined by Alabama law. "Sexual exploitation" includes allowing, permitting, or encouraging a child to engage in prostitution and allowing, permitting, encouraging or engaging in the obscene or pornographic photographing, filming, or depicting of a child for commercial purposes.
2. NEGLECT. Negligent treatment or maltreatment of a child, including the failure to provide adequate food, medical treatment, supervision, clothing, or shelter.
3. CHILD. A person under the age of 18 years.
4. DULY CONSTITUTED AUTHORITY. The chief of police of a municipality or municipality and county; or the sheriff, if the observation of child abuse or neglect is made in an unincorporated territory; or the Department of Human Resources; or any person, organization, corporation, group, or agency authorized and designated by the Department of Human Resources to receive reports of child abuse and neglect; provided, that a "duly constituted authority" shall not include an agency involved in the acts or omissions of the reported child abuse or neglect.

§ 26-14-2. Purpose of chapter.
In order to protect children whose health and welfare may be adversely affected through abuse and neglect, the legislature hereby provides for the reporting of such cases to the appropriate authorities. It is the intent of the legislature that, as a result of such efforts, and through the cooperation of state, county, local agencies and divisions of government, protective services shall be made available in an effort to prevent further abuses and neglect, to safeguard and enforce the general welfare of such children, and to encourage cooperation among the states in dealing with the problems of child abuse.

§ 26-14-3. Mandatory reporting.
(a) All hospitals, clinics, sanitariums, doctors, physicians, surgeons, medical examiners, coroners, dentists, osteopaths, optometrists, chiropractors, podiatrists, nurses, school teachers and officials, peace officers, law enforcement officials, pharmacists, social workers, day care workers or employees, mental health professionals, members of the clergy as defined in Rule 505 of the Alabama Rules of Evidence, or any other person called upon to render aid or medical assistance to any child, when the child is known or suspected to be a victim of child abuse or neglect, shall be required to report, or cause a report to be made of the same, orally, either by telephone or direct communication immediately, followed by a written report, to a duly constituted authority.
(b) When an initial report is made to a law enforcement official, the official subsequently shall inform the Department of Human Resources of the report so that the department can carry out

its responsibility to provide protective services when deemed appropriate to the respective child or children.

(c) When the Department of Human Resources receives initial reports of suspected abuse or neglect involving discipline or corporal punishment committed in a public or private school or suspected abuse or neglect in a state-operated child residential facility, the Department of Human Resources shall transmit a copy of school reports to the law enforcement agency and residential facility reports to the law enforcement agency and the operating state agency which shall conduct the investigation. When the investigation is completed, a written report of the completed investigation shall contain the information required by the state Department of Human Resources which shall be submitted by the law enforcement agency or the state agency to the county department of human resources for entry into the state's central registry.

(d) Nothing in this chapter shall preclude interagency agreements between departments of human resources, law enforcement, and other state agencies on procedures for investigating reports of suspected child abuse and neglect to provide for departments of human resources to assist law enforcement and other state agencies in these investigations.

(e) Any provision of this section to the contrary notwithstanding, if any agency or authority investigates any report pursuant to this section and the report does not result in a conviction, the agency or authority shall expunge any record of the information or report and any data developed from the record.

(f) Subsection (a) to the contrary notwithstanding, a member of the clergy shall not be required to report information gained solely in a confidential communication privileged pursuant to Rule 505 of the Alabama Rules of Evidence which communication shall continue to be privileged as provided by law.

§ 26-14-5. Contents of reports.

The reports provided for in this chapter shall state, if known, the name of the child, his whereabouts, the names and addresses of the parents, guardian or caretaker and the character and extent of his injuries. The written report shall also contain, if known, any evidence of previous injuries to said child and any other pertinent information which might establish the cause of such injury or injuries, and the identity of the person or persons responsible for the same.

§ 26-14-6. Temporary protective custody.

A police officer, a law enforcement official or a designated employee of the State or County Department of Human Resources may take a child into protective custody, or any person in charge of a hospital or similar institution or any physician treating a child may keep that child in his custody, without the consent of the parent or guardian, whether or not additional medical treatment is required, if the circumstances or conditions of the child are such that continuing in his place of residence or in the care and custody of the parent, guardian, custodian or other person responsible for the child's care presents an imminent danger to that child's life or health. However, such official shall immediately notify the court having jurisdiction over juveniles of such actions in taking the child into protective custody; provided, that such custody shall not exceed 72 hours and that a court of competent jurisdiction and the Department of Human Resources shall be notified immediately in order that child-protective proceedings may be initiated. During such period of temporary custody, the director of the county department of human resources may give or cause to be given effective consent for medical, dental, health and hospital services for any abused or neglected child.

§ 26-14-6.1. Duties and responsibilities for investigation of reports.

A police officer, a law enforcement official or a designated employee of the State or County Department of Human Resources may take a child into protective custody, or any person in charge of a hospital or similar institution or any physician treating a child may keep that child in his custody, without the consent of the parent or guardian, whether or not additional medical treatment is required, if the circumstances or conditions of the child are such that continuing in his place of residence or in the care and custody of the parent, guardian, custodian or other person responsible for the child's care presents an imminent danger to that child's life or health. However, such official shall immediately notify the court having jurisdiction over juveniles of such actions in taking the child into protective custody; provided, that such custody shall not exceed 72 hours and that a court of competent jurisdiction and the Department of Human Resources shall be notified immediately in order that child-protective proceedings may be initiated. During such period of temporary custody, the director of the county department of human resources may give or cause to be given effective consent for medical, dental, health and hospital services for any abused or neglected child.

§ 26-14-7. Duties of Department of Human Resources.

(a) The State or County Department of Human Resources shall make a thorough investigation promptly upon either the oral or written report. The primary purpose of such an investigation shall be the protection of the child.

(b) The investigation, to the extent that is reasonably possible, shall include:

(1) The nature, extent and cause of the child abuse or neglect;

(2) The identity of the person responsible therefor;

(3) The names and conditions of other children in the home;

(4) An evaluation of the parents or person responsible for the care of the child;

(5) The home environment and the relationship of the child or children to the parents or other persons responsible for their care; and

(6) All other data deemed pertinent.

(c) The investigation may include a visit to the child's home, an interview with the subject child, and may include a physical, psychological or psychiatric examination of any child or children in that home. If the admission to the home, school or any other place that the child may be, or permission of the parent or other persons responsible for the child or children, for the physical, psychological or psychiatric examination, cannot be obtained, then a court of competent jurisdiction, upon cause shown, shall order the parents or persons responsible and in charge of any place where the child may be to allow the interview, examinations and investigation. If, before the examination is complete, the opinion of the investigators is that immediate removal is necessary to protect a child or children from further abuse or neglect, a court of competent jurisdiction, on petition by the investigators and with good cause being shown, shall issue an order for temporary removal and custody.

(d) The county department of human resources shall make a complete written report of the investigation, together with its recommendations. Such reports may be made available to the appropriate court, the district attorney and the appropriate law enforcement agency upon request. The county department of human resources shall make a written report or case summary, together with services offered and accepted to the state's central registry on forms supplied by the registry for that purpose.

§ 26-14-7.1. Due process rights for persons under investigation by department.

Any person who comes under investigation by the Department of Human Resources for the abuse or neglect of a child or children and who is employed by, serves as a volunteer for, holds a license or certificate for, or is connected with any facility, agency, or home which cares for and controls any children and which is licensed, approved, or certified by the state, operated as

a state facility, or any public, private, or religious facility or agency that may be exempt from licensing procedures shall be granted the following due process rights by the Department of Human Resources:

(1) The department shall notify the alleged perpetrator that an investigation has commenced against him after such investigation has officially begun in accordance with written policies established by the Department of Human Resources. The notice shall be in writing and shall state the name of the child or children allegedly abused, the date or dates that the alleged abuse is thought to have occurred, and the substance of the person's actions which are alleged to be abusive. The department shall establish and maintain written policies outlining the specifics of such notification and other policies deemed necessary and prudent by the department to inform the alleged perpetrator of his rights and the procedures utilized by the department involving child abuse and neglect investigations.

(2) If the department conducts an investigation relating to child abuse/neglect, the alleged perpetrator shall be notified of the investigator's conclusions.

(3) If the department's investigators conclude that child abuse/neglect is indicated, an investigative hearing may be held to confirm or reject the investigators' conclusions.

(4) The alleged perpetrator shall be given ten departmental working days from the receipt of the notification of the investigator's conclusions to request a hearing, and such request must be in writing. If no such request is received in the department's office within ten departmental working days, the alleged perpetrator's opportunity for a hearing shall be considered waived by the department.

(5) The employer of an alleged perpetrator shall not be notified of the investigator's conclusions prior to a hearing or its waiver unless, in the opinion of the department's investigators, a child is in danger of abuse or neglect; in such case, any person in a position to discover, prevent or protect the child from his abuse or neglect may be informed of information gathered in the investigation prior to a requested investigative hearing for the alleged perpetrator.

(6) The alleged perpetrator shall be notified of the date, time, and place of any investigative hearing. Such hearing shall not be open to the public.

(7) The alleged perpetrator shall have the following rights at any departmental investigative hearing:

a. The right to present his case himself or be represented by legal counsel or any other person.

b. The right to present written evidence, oral testimony, and witnesses.

c. The right to be provided by the department a short and plain written statement of the matters asserted which will be presented at the hearing.

d. The right to review and copy at cost any written or recorded statement made by the alleged perpetrator to departmental personnel in the course of the child abuse/neglect investigation. This request must be made prior to the date for the hearing.

e. The right to review and copy at cost, before or during the hearing, the written material and other evidence in possession of the department which will be placed into evidence at the hearing.

f. The right to inspect any exculpatory evidence which may be in the possession of departmental investigators, and the right to be informed of such evidence if known by departmental investigators before the hearing; provided, that a request for such evidence is made at least five working days prior to the date set for the hearing.

g. The right to review and copy at cost all non-confidential department documents pertinent to the case, including written policies and rights.

h. The right to cross-examine witnesses testifying at the hearing.

i. The right to request issuance of subpoenas to witnesses and compel attendance. This request must be received no later than ten calendar days prior to the hearing, unless a shorter time is agreed upon by the hearing officer.

j. The right to review and copy at cost all documents in the official hearing file maintained by the hearing officer.

k. The right to have a hearing officer appointed who shall be disinterested, fair, and impartial.

(8) The Department of Human Resources or its investigative hearing officers shall have the power and authority to issue subpoenas to compel attendance by and production of documents from any witness. Subpoenas may be served in the same manner as subpoenas issued out of any circuit court. Where any witness has been summoned by the Department of Human Resources, its commissioner or any of his agents, and said witness refuses to appear, testify, or produce records or documents as requested; then any circuit court in this state, or any judge thereof, on application, may issue an attachment for such person and compel him to comply with such order and the court or judge shall have power to punish for contempt in cases of disobedience of such order.

(9) The Department of Human Resources shall establish policies and written guidelines for the conduct and procedures involved in an investigative hearing. At such hearing, the fact that there was a finding by a juvenile court judge or by a criminal court that child abuse or neglect has occurred shall be presumptive evidence that the report should be marked indicated.

(10) The hearing officer shall notify the alleged perpetrator in writing of the hearing officer's decision.

(11) Results of investigative hearings:

a. If the hearing officer concludes that child abuse and/or neglect is "indicated," such findings and evidence shall be filed with the appropriate district attorney and other law enforcement officials which the department may deem necessary.

b. The alleged perpetrator's employer or licensing/certifying agency or group may also be notified of the "indicated" findings. Such notification shall be marked "Confidential" and "To Be Used Only For The Purpose Of Discovery Or Preventing Child Abuse." The department shall establish written policies for notification of employers, prospective employers and licensing/certifying agencies or groups.

§ 26-14-7.2. Child denied medical treatment due to parents' religious beliefs.

(a) When an investigation of child abuse or neglect by the Department of Human Resources determines that a parent or legal guardian legitimately practicing his or her religious beliefs has not provided specific medical treatment for a child, the parent or legal guardian shall not be considered a negligent parent or guardian for that reason alone. This exception shall not preclude a court from ordering that medical services be provided to the child when the child's health requires it.

(b) The department may, in any case, pursue any legal remedies, including the initiation of legal proceedings in a court of competent jurisdiction, as may be necessary to provide medical care or treatment for a child when the care or treatment is necessary to prevent or remedy serious harm to the child, or to prevent the withholding of medically indicated treatments from disabled infants with life- threatening conditions. Upon application by the department, the court may issue pre-litigation or pretrial discovery orders for persons, medical records, and other documents or materials.

§ 26-14-8. Statewide central registry.

(a) For the purposes of this section, the following words shall have the following meanings, respectively:

(1) INDICATED. When credible evidence and professional judgment substantiates that an alleged perpetrator is responsible for child abuse or neglect.

(2) NOT INDICATED. When credible evidence and professional judgment does not substantiate that an alleged perpetrator is responsible for child abuse or neglect.

(b) The Department of Human Resources shall establish a statewide central registry for reports of child abuse and neglect made pursuant to this chapter. The central registry shall contain, but shall not be limited to:

(1) All information in the written report;

(2) Record of the final disposition of the report, including services offered and services accepted;

(3) The names and identifying data, dates and circumstances of any persons requesting or receiving information from the registry; provided, however, that requests for information and responses where no report exists may be destroyed after three years from the date of the request;

(4) The plan for rehabilitative treatment; and

(5) Any other information which might be helpful in furthering the purposes of this chapter.

(c) The Department of Human Resources shall establish and enforce reasonable rules and regulations governing the custody, use and preservation of the reports and records of child abuse and neglect. Child abuse and neglect reports and records shall be limited to the purposes for which they are furnished and by the provisions of law under which they may be furnished. The reports and records of child abuse and neglect and related information or testimony shall be confidential, and shall not be used or disclosed for any purposes other than:

(1) To permit their use to prevent or to discover abuse or neglect of children through the information contained therein, except reports or records in cases determined to be "not indicated" shall not be used or disclosed for purposes of employment or other background checks; or

(2) For investigation of child abuse or neglect by the police or other law enforcement agency; or

(3) For use by a grand jury upon its determination that access to such reports and records is necessary in the conduct of its official business; or

(4) For use by a court where it finds that such information is necessary for the determination of an issue before the court; or

(5) For use by any person engaged in bona fide research who is authorized to have access to such information by the Commissioner of the Department of Human Resources; or

(6) For use by any person authorized by a court to act as a representative for an abused or neglected child who is the subject of a report; or

(7) For use by a physician who has before him a child whom he reasonably suspects may be abused or neglected; or

(8) For use by an attorney or guardian ad litem in representing or defending a child or its parents or guardians in a court proceeding related to abuse or neglect of said child; or

(9) For use by federal, state, or local governmental entities, social service agencies of another state, or any agent of such entities, having a need for the information in order to carry out their responsibilities under law to protect children from abuse and neglect; or

(10) For use by child abuse citizen review or quality assurance or multidisciplinary review panels; or

(11) For use by child fatality review panels; or

(12) For public disclosure of the findings or information about the case of child abuse or neglect which has resulted in a child fatality or near fatality; the term "near fatality" means an act that, as certified by a physician, places the child in serious or critical condition. Information identifying by name persons other than the victim shall not be disclosed.

(d) The names of persons or information in the investigative report placed on the state's central registry which may be made available to the alleged perpetrator's employer, prospective employer, or others are those cases that the Department of Human Resources or the investigative hearing officer has determined child abuse or neglect to be indicated.

(e) In the case of any child abuse or neglect investigation which is determined to be "not indicated," the alleged perpetrator may request after five years from the completion of the investigation that his or her name be expunged from the central registry so long as the Department of Human Resources has received no further reports concerning the alleged perpetrator during said five years, at which time the department shall expunge said name.

(f) Nothing in this section shall be construed as restricting the ability of a department to refuse to disclose identifying information concerning the individual initiating a report or complaint alleging suspected instances of child abuse or neglect, except that the department may not refuse such a disclosure in cases in which a court orders such disclosure after the court has reviewed, in camera, the record of the department related to the report or complaint and has determined that it has reason to believe that the person making the report knowingly made a false report.

(g) Any person receiving reports or records of child abuse or neglect or related information under this section shall maintain the confidentiality of the documents and information and not disclose it except as authorized by law.

(h) Any violation of the provision of confidentiality shall be a Class A misdemeanor.

§ 26-14-9. Immunity from liability for actions under chapter.

Any person, firm, corporation or official, including members of a multidisciplinary child protection team, quality assurance team, child death review team, or other authorized case review team or panel, by whatever designation, participating in the making of a good faith report in an investigation or case review authorized under this chapter or other law or department practice or in the removal of a child pursuant to this chapter, or participating in a judicial proceeding resulting therefrom, shall, in so doing, be immune from any liability, civil or criminal, that might otherwise be incurred or imposed.

§ 26-14-10. Doctrine of privileged communications not grounds for exclusion of evidence as to child's injuries.

The doctrine of privileged communication, with the exception of the attorney-client privilege, shall not be a ground for excluding any evidence regarding a child's injuries or the cause thereof in any judicial proceeding resulting from a report pursuant to this chapter.

§ 26-14-11. Appointment of attorney to represent child.

In every case involving an abused or neglected child which results in a judicial proceeding, an attorney shall be appointed to represent the child in such proceedings. Such attorney will represent the rights, interests, welfare and well-being of the
child, and serve as guardian ad litem for said child.

§ 26-14-12. Establishment of regulations by department of human resources.

The State Department of Human Resources may establish such regulations as may be necessary to implement this chapter and to encourage cooperation with other states in exchanging reports to effect a national registration system.

§ 26-14-13. Penalty for failure to make required report.

Any person who shall knowingly fail to make the report required by this chapter shall be guilty of a misdemeanor and shall be punished by a sentence of not more than six months' imprisonment or a fine of not more than $500.00

Appendix O: Children with Special Needs

Individuals with Disabilities Education Act Terminology

A child with a disability is defined in IDEA as a child with at least one of ten specifically defined physical, emotional, learning or cognitive disabilities and who, by reason of the condition, needs "special education" and "related services." At the discretion of the state, the definition may also include children ages three through nine or any subset of that age range, which are experiencing developmental delays. Special Education is specially designed instruction to meet the unique needs of a child with a disability. A child with a disability is entitled to FAPE, a free appropriate public education. That public education should be provided in the LRE, the least restrictive environment. The term FAPE is defined in pre-K through secondary school special education as related services that are provided at public expense, without charge to the parent, under public supervision and direction; meeting the state's educational standards; and addressing the individualized educational needs of the student. IDEA's least restrictive environment directive requires the inclusion of children with disabilities, in the general education program to the maximum extent appropriate. An LEA, local education agency, is responsible for the identification and evaluation of children with disabilities and for the provision of FAPE to children found to be eligible for special education and related services.

Benefits of First Class Pre-K for Children with Disabilities

Rigorous educational research consistently shows that at-risk children who attend high-quality pre-k programs demonstrate gains in early learning skills and throughout their K-12 years. Significantly, research also shows that children with disabilities who attend pre-K in inclusive environments demonstrate gains in social skills, self-regulation, language development, and cognition. Moreover, integrating children with disabilities into typical pre-K programs does not simply improve the educational experience for the children with disabilities – pre-K classrooms that utilize inclusive materials and curricula, along with appropriate supports and services, provide social and educational benefits to the general pre-K population as well.

Eligibility of Children Receiving Special Education Services in the First Class Pre-K Program

A child who meets the eligibility requirements for the Alabama First Class Pre-K program and is also eligible for special education and/or related services under the Individuals with Disabilities Education Act (IDEA) will not be denied access to the Alabama First Class Pre-K program. Therefore, dual enrollment in special education and the Alabama First Class Pre-K program is permitted. Children should receive services and supports in accordance with their IEP. First Class teachers should seek to be on classroom children's IEP committees and obtain copies of the children's IEP in order to incorporate suggestions into class instruction. If a pre-K provider suspects that a child has a disability or significant developmental delay, they are responsible for talking to the parent regarding referring that child to the appropriate local education agency (LEA) so that the child may be tested for eligibility to receive special education services. For contact information to local special education coordinators contact the Alabama State Department of Education at 334-242-9700 or www.alsde.edu.

When purchasing shelving units, shelves should be low enough for teachers to easily see and monitor all children as they play in the indoor learning space. There should be a storage unit with individual cubbies for each child.

When purchasing tables and chairs, the children's feet should be flat on the floor; table height should be approximately 8" above the chair seat. It is understood this will vary according to children in the classroom, and, therefore, might be a good idea to purchase a few chairs that are shorter than average for smaller children in the classroom.

Phase 2: Alabama First Class Pre-K Pre-Registration

DATES:

January 15 until Random Selection Drawing Held in March

EVENTS:

❑ Programs will conduct pre-registration for a period of no less than a month via the online ASAP platform. The ASAP platform will not be open for upcoming year pre-registration until January 15th. The DECE mandated timeline for pre-registration must be adhered to unless a written waiver is granted by DECE.

❑ Parents/Guardians go online (link provided on flyer on p. 3) to the ASAP platform beginning January 15th and complete the electronic pre-registration form (using the illustrated guide on pages 6 and 7 to assist them if needed). When a pre-registration is submitted in ASAP, the family will receive an automatic email confirmation (see page 10 for a template of the email).

❑ Parents/Guardians provide a copy of their most recent utility bill, lease, or mortgage as proof of Alabama residency. Additional requirements for proof of eligibility such as income and/or demographic information may be required by the local program as funding mandates dictate.

> **NOTE:** If the local program wishes, it may require parents to provide documentation of eligibility before giving them the link to the pre-registration site. This includes residency eligibility for public schools as well as income/demographic eligibility for Head Start programs.

❑ Program directors/registrars may go online to the ASAP platform and view/monitor pre-registrations. See directions on pages 8-10.

❑ It is the responsibility of the local program to provide pre-registration assistance to families and facilitate computer access if needed.

Helpful Hints for Supporting Families During Online Pre-Registration

There are families with barriers to completing an online pre-registration process. These are the very families whose children we most need to reach and serve. Therefore, we must be prepared to offer supports to help them successfully complete the pre-registration process. We have kept this in mind and have limited how much typing is required in the online form, offered more drop-down choices, and eliminated the need to enter any codes or school names.

Below are some suggestions for providing additional support:
- Advertise and host *Pre-K Pre-Registration Night* events at the local school board office, elementary school, public library, trailer park, apartment complex, etc. and have laptops/computers set up for parents/guardians to use to complete the pre-registration process. Have EL teachers and Pre-K teachers on hand to assist those who have trouble.
- Have laptops/computers set up in your Pre-K program's office/lobby area for parents/guardians to come in and use to complete the pre-registration process. Provide copies of the illustrated *Pre-Registration Process Guide* for them to follow. It is also helpful if this station is set up in close proximity to a receptionist or secretary who has been familiarized with the process and can provide assistance when needed.
- Remember that, where there is a will, there is a way. Families who receive food stamps and other types of federal financial support complete online applications for these programs. They can do this.

NOTE: All grantees must utilize the ASAP online pre-registration program provided by the Alabama Department of Early Childhood Education. *Please do not request that an exception be made to this requirement.*

Phase 3: Random Selection Drawing

DATES:

March 1 - 31

EVENTS:

❑ All programs hold their public random selection drawing between the dates of March 1st and 31st. Directors will follow instructions on page 12 to print out a list of all children who have pre-registered for their program then follow First Class Pre-K Program Guidelines to conduct a random selection drawing. For each class a program has, after 16 children per class are drawn during the random selection process, the remaining students continue to be drawn and numbered in the order they are drawn. This will be the order of the waiting list if new students need to be added to a classroom. The program should keep the order of names on the waiting list on its own written document or spreadsheet. In addition, the program may follow the directions on page 13 to mark the correct waiting list order in ASAP.

❑ **NOTE:** If a program has multiple birth siblings (twins, triplets, etc.) all names should be placed in the drawing separately. If one, but not all, multiple birth siblings are drawn before the classroom cap at 16, the drawing should cease at this point and the 1 or 2 multiple birth siblings should be added to the classroom roster at this point to reach full classroom enrollment.

❑ **ADDITIONAL NOTE:** If a classroom is located in a center that currently has a program for 3-year-old children, those children may not automatically be moved up to the OSR First Class Pre-K classroom unless the program is federally mandated. Those children must submit the online pre-registration form and be placed in the public random selection drawing like all other children from the community who submit applications.

Phase 3: Random Selection Drawing, cont.

ASAP Student Status Notes

By April 13th:
Directors should have changed the status in ASAP of all pre-registered students with ENROLLED status to PENDING (if selected in the drawing), WAITLISTED (drawn after the predetermined number of seats — 16 or 18), or DROPPED (if did not meet program requirements or if a duplicate entry).

Between April 16th and 18th:
Only students who have a status of PENDING or WAITLISTED in ASAP will receive the Status Notification email that will be sent in batches from the department (see example on p. 14).

After the Pre-Registration Period Ends and During the School Year:
•   Students who pre-register after the random selection drawing will appear on the program's roster in ASAP as ENROLLED.
•   If a program has space for the newly pre-registered student, the status should be changed from ENROLLED to PENDING and the program should notify the family and request a reply to accept or decline the spot. Otherwise, the student should be marked as WAITLISTED and added to the bottom of the program's existing waiting list. The director should contact the family and indicate that the student is on the waiting list.
•   Note that programs should maintain their own waiting lists outside of ASAP in order to ensure children's names remain in the correct order.
•   An automatic email will not be sent for pre-registration applications entered after April 13th. Directors will be responsible for contacting those families individually.

Beginning May 1st and Throughout the School Year:
No student should remain in ASAP with ENROLLED status. ALL students should have one of the following status indicators as appropriate:
     1. PENDING—selected in random drawing and awaiting reply from the family
     2. WAITLISTED — waiting for a position to become available
     3. DROPPED — student declined, student withdrew, student did not meet program requirements, student entry was a duplicate
     4. COMPLETED— student accepted a position and has been assigned to a classroom

For the first student on the Waiting List, enter the date of 1/1/2018 and the time of 8:00 AM. The next student on the waiting list could be 1/1/2018 and the time of 8:01 AM. The next student would also have the same date and the time of 8:02 AM, then the next one would be 8:03 AM, and so forth for as many students as need to be on the list. This will generate a Waiting List in ASAP with students in the correct order in which they were drawn in the random selection.

Phase 5: Parent/Family Notification

DATES:

April 16 - 18

EVENTS:

❑ Parents/Guardians of students who have a Pending or Waitlisted marked status in ASAP will receive an email notification for each program for which the child is pre-registered. The emails will be sent in batches by the DECE Office between April 16th and 18th and will report each student's status as a result of the random selection drawing. For students with Pending status, the email will direct the family to contact the director of the program for which they were selected to accept or decline the position. (See page 17 for templates of the email notifications.) *Directors should not rely solely on parents to accept or decline a position and should contact families who have a Pending status if do not get a response to determine if the parent/guardian wishes to accept the position in the program.*

❑ Students whose status is marked in ASAP as anything other than Pending or Waitlisted will not receive an automatic email from the DECE Office and must be contacted by the program.

NOTE: Students who pre-register after the drawing will appear on the program's ASAP roster as Enrolled just as students did prior to the drawing. When a student registers for a program after the drawing has already been completed, one of the following actions should be taken by the program. Students should not be left at Enrolled status in ASAP.
- If the program has space for the newly enrolled student, the status should be marked PENDING and the school/program should notify the family to find out if they want to accept the position. If the position is accepted, the student's status should be changed to Completed. If the position is declined, the student's status should be changed to Dropped.
- If the program does not have space for the student, the child's status should be marked WAITLISTED and added to the bottom of the program's existing wait list. The school/program/director should contact the family and indicate that the student is on the waitlist.
- If the newly enrolled (pre-registered) student is not eligible for the program, the status should be marked as Dropped.

Note that automatic emails are not sent by the DECE Office for pre-registrations which occur after April 15th.

Additional Information for Directors

- **Program Directors May Begin Contacting Parents on April 19th**: After the April 16th – 18th period when parents are notified of their child's status based on the random selection drawings through mass emails from the Department of Early Childhood Education, program directors do not have to wait to hear from parents to determine whether an available position in their program is being accepted or declined. Directors may contact parents to request a decision at any time beginning April 19th. After receiving parent responses, for each child marked as PENDING, the director should confirm in ASAP whether the seat is being accepted or declined. At this point, the director will follow directions in the ASAP Guide for marking children as COMPLETED or DROPPED and for assigning students to specific classes in a school/program.

- **Students Whose Parent Accepts a Position in More Than One Program:** There is no way to prevent parents from doing this. However, in July, the Department of Early Childhood Education will attempt to identify students who are marked COMPLETED in more than one class, contact the families for a decision limited to one class, and drop the students from class(es) not selected. If a child is still assigned to more than one class once school begins, the director should note when the child doesn't show up for class, contact the family, and drop the child if he has begun school in another program.

- **Students Removed from Other Wait Lists After Being Assigned to a Class**: Once the school year has begun, a child who is marked as COMPLETED in a program and assigned to a class will be dropped from any other programs' waiting lists. This will be done by the Department of Early Childhood Education Office and should not be attempted by a program director.

- **Enrolling After Initial Registration Process is Complete:** Families who pre-register after the initial random selection drawing has been conducted will follow the same online pre-registration process and directors should mark them as PENDING or WAITLISTED as their pre-registration is completed, depending on availability of Pre-K class positions in the program.

- **Marking Status of Withdrawn Child**: Children who withdraw from a class during the year should be marked by the director as DROPPED.

- **Parent Contract and ASQ Forms:** Programs are strongly encouraged to have parents complete Emergency Contact and Transportation Information, Parent Contracts, and ASQ-3 documents at Parent Orientation. These documents will be the responsibility of the program and will be kept locally and checked by Coaches/Monitors for completeness. More information about this can be obtained from the Coach/Monitor.

- **Newly Selected Grant Recipient Sites**: Will be notified of registration process timeline following the grant award

Frequently Asked Questions

WHAT HAPPENS IN ASAP IF A STUDENT WITHDRAWS DURING THE YEAR?
Children who withdraw from a class during the year will be marked in ASAP by the Director as "Dropped." The Director will then go to the name of the next student on the Waiting List and contact the family to determine if they want to accept the newly vacated position. If the position is accepted, the student's status is changed to Completed and he/she is assigned to a class. If the position is declined, the student's status is changed to Dropped and the Director moves on to the next name on the waiting list and repeats the process.

WHAT ABOUT PARENT CONTRACTS AND ASQ FORMS?
Programs are strongly encouraged to have parents complete Emergency Contact and Transportation Information, Parent Contracts, and ASQ-3 documents at Parent Orientation. These documents will be the responsibility of the program and will be kept locally and checked by Coaches/Monitors for completeness. More information about this can be obtained from the Coach/Monitor.

WHAT IF A PROGRAM RECEIVES A NEW GRANT AWARD AFTER APRIL 15th?
Recipients will be notified of the registration process timeline following announcement of new grant awards.

WHAT NEEDS TO HAPPEN IN ASAP IF A PARENT WHO HAS BEEN MARKED COMPLETED IN ASAP DECIDES THEY WANT TO REGISTER THEIR CHILD AT ANOTHER SITE LATER?
A parent can log into their existing ASAP account at any time during the year and select another school for which they wish to pre-register. If they are offered a seat in the newly selected program, they may accept it and withdraw from the program in which they already have Completed status. The Director of the program in which the child is at Completed status will change the status to Dropped and the Director of the new program will assign the child to a class with Completed status.

WHAT DOES A DIRECTOR DO DURING THE YEAR WHEN A VACANT POSITION IN A CLASS COMES OPEN?
The Director will contact the next name on their waiting list and find out if the parent wants the position or not. If the parent wants it, they will change the student's status in ASAP from Waitlisted to Completed. If the parent declines the position, the Director will change the student's status to Dropped.

WHAT HAPPENS IF A PARENT ACCEPTS A POSITION IN MORE THAN ONE PROGRAM?
In mid-May, the DECE Office will run a report in ASAP to find students who may have Completed status in more than one program. The family will be contacted by the DECE Office and asked to choose one program. The DECE Office will email the Director of any program other than the one chosen and notify him/her that the student's status at their program has been changed to Dropped. Once school starts, if a child has Completed status at more than one school, when the child doesn't show up, the Director will should contact the family and change the student's status to Dropped if they have accepted a spot in another program.

SINCE THE AUTOMATIC EMAIL NOTIFICATIONS TO PARENTS OF STUDENTS WITH PENDING STATUS IN ASAP THAT GO OUT BETWEEN APRIL 16TH AND 18TH SAY PARENTS HAVE 7 DAYS TO RESPOND, WHAT HAPPENS IF THE DIRECTOR DOESN'T HEAR FROM THEM?
Parents are asked to respond within 7 days because that period could not be left open-ended. However, Directors should contact families of Pending status students if they do not hear from them during that time.

DO DIRECTORS HAVE TO WAIT UNTIL APRIL 19TH TO BEGIN MARKING STUDENTS AS COMPLETED IN ASAP?
Directors may begin marking students' status as completed as they receive responses from parents. They do not have to wait until all parent responses are in before beginning changing statuses to Completed.
